

The narrow design of MELJAC switches combines elegance with practicality

MELJAC, a leader in high-end fittings, has a wide range of narrow switches. These switches have been designed for the spatial constraints experienced by many customers as well as for elegance and aesthetic appeal.

Crafted from high-quality brass, they are patinated by hand in order to achieve the chosen finish from a range of 26 options.

The recognised expertise of MELJAC makes the brand the indisputable benchmark in the field of attractive, French-made, quality electrical fittings.
