

MELJAC signs the five-star Grand Powers hotel

The five-star Grand Powers Hotel in Paris has chosen MELJAC for its high-end electrical appliances. The plugs, switches (some with engravings) and badge readers are all made of solid brass and hand-burnished, and they effortlessly find their place within the 50 rooms and suites of the warm and understated Grand Powers hotel.

The brand, which can already be seen in many renowned hotels around the world, caught the eye of the architect responsible for the renovation project, thanks to the quality and aesthetics of its French-made Classic collection.
