

## A white winter: Add a touch of purity with MELJAC products

Meljac, the leader in luxury switches, is proud to present its white models in brass, porcelain or tempered glass, for a fresh, soothing atmosphere.

These creations, made in France, offer unique quality and elegance, representing the perfect finishing touch for a sophisticated interior.

All MELJAC products are made with premium materials and showcase the skilled craftsmanship on which the brand has built its reputation.

- **Customisable:** brass and glass models can be engraved or screen printed with words, symbols, pictograms, etc. (motifs hand-painted on porcelain)
- Several plate formats available
- **Different mechanisms may be combined:** toggles, push buttons, sockets, USB or data ports, etc.
- Can be adapted for renovation projects

MELJAC's expertise in this video:

CREATED AND PRODUCED IN FRANCE

#### About MELJAC

Founded in 1995 by André Bousquet, MELJAC is the market leader in luxury electrical fittings made from quality materials.

With some ten different ranges, MELJAC offers a wide range of solutions for architects, decorators, electricians and home owners, including switches, sockets, table lamps, reading lamps, casings for thermostats and home automation systems, etc. The brand is also well known for its expertise in delivering bespoke solutions.

Its innovative approach and working methods are key to its development and guarantee outstanding quality. The company set up its first subsidiary in the United States in 2018 and has around 60 authorised dealers worldwide.

Customers include the Palace of Versailles, the Louvre Museum, Cartier and Chanel stores, Paris-based hotels the Four Seasons George V, Le Meurice and La Réserve, the Royal Mansour and Mandarin Oriental in Marrakesh, the InterContinental Geneva and Hotel Danieli in Venice.

All MELJAC products bear the prestigious "Origine France Garantie" label. MELJAC is also the first company in its sector to obtain the EPV (Living Heritage Company) label. In 2019, it had 80 employees and generated a turnover of €9.3 million. [www.meljac.com](http://www.meljac.com)
