

MELJAC presents its mini LED recessed downlights

MELJAC, the leader in luxury electrical fittings, has developed two new recessed downlight models, round or square, in solid brass, for false ceilings. They are available in the brand's 30 finishes and blend perfectly with all MELJAC electrical fittings, from light switches to reading lamps and thermostats.

Elegant downlights with easy installation

MELJAC's new downlights match all the brand's brass ranges, and they are simple to install – the transformer is positioned in the false ceiling and the brass plate clips directly onto the light. With a protection rating of IP54, they can be installed in bathrooms and kitchens as well as corridors and bedrooms. Clients can choose between direct or asymmetric LED light distribution and warm or cool white. The two models come with a black or white interior.

- Formats: Ø58mm, 58x58mm (3mm thick)
- Direct or asymmetric LED lighting
- Light colour: warm white (2,700K) or cool white (4,000K)
- Power: 230V – 5W
- Beam angle: 24°
- Straight edges, screwless
- Protection rating: IP54 Class II
