### A unique blend of functionality and elegance

MELJAC offers an elegant option to add an extra touch of refinement to classic or modern facilities. The models adapted to joint ownership properties can be produced in different sizes and formats to meet the needs of each configuration. With a choice of around 30 finishes and some 10 toggle/push button designs, there's a MELJAC solution to suit every interior. Products are crafted from recyclable solid brass to ensure premium quality and sustainability.

- Customisable with LED indicators, engraved or screen-printed words, symbols, pictograms, etc.
- A choice of 30 shades or any colour from the RAL colour chart
- Backlighting possible for guide lights
- Models with or without visible screws

CREATED AND PRODUCED IN FRANCE

#### About Meljac

Created in 1995 by André Bousquet, the company (90 employees) designs high-quality electrical equipment using the finest materials.

With about 15 collections, MELJAC offers architects, decorators, electricians and private individuals a large range of options: switches, sockets, reading lights, casings for thermostats and home automation controls, etc. The brand is renowned for its bespoke creations. All products are 'Origine France Garantie' labeled. MELJAC is the first company in its business sector to obtain the EPV label (Living Heritage Company).

Its innovation and working methods are at the heart of its development, guaranteeing an optimum quality. Today the brand is available all over the world, with approximately 60 authorized dealers to help serve each their respective markets. The company has one subsidiary in the United States of America.

Some references: the Palace of Versailles, the Louvre Museum, Cartier and Chanel boutiques, the Hotels Four Seasons, Mandarin Oriental, Meurice, La Réserve in Paris, the Royal Mansour in Marrakech, the Intercontinental in Geneva, the Danieli Hotel in Venice...
