CREATED AND PRODUCED IN FRANCE

### About Meljac

Created in 1995 by André Bousquet, the company (90 employees) designs high-quality electrical equipment using the finest materials.

With about 15 collections, MELJAC offers architects, decorators, electricians and private individuals a large range of options: switches, sockets, reading lights, casings for thermostats and home automation controls, etc. The brand is renowned for its bespoke creations. All products are 'Origine France Garantie' labeled. MELJAC is the first company in its business sector to obtain the EPV label (Living Heritage Company).

Its innovation and working methods are at the heart of its development, guaranteeing an optimum quality. Today the brand is available all over the world, with approximately 60 authorized dealers to help serve each their respective markets. The company has one subsidiary in the United States of America.
